# 1 Public Summary

The purpose of the document is to present a detailed programme for the delivery of training courses to security employees. Therefore, this document describes the target group of security employees, including their competence needs, and references different lesson plans that together comprise the training course for security employees (ST001).

The training content includes 6 major topics:

- Risk management;
- Security operation planning and management;
- Preventive actions and immediate response;
- Conflict resolution and stressful situations;
- Communication with law enforcement authorities; and
- Practical on-site exercises.
