Status:	Issued			

1 Public Summary

The deliverable includes integration specifications and the development of the specific training programmes when needed.

In its first part, the deliverable outlines the target groups of the demonstrations and their tasks within DB. The second part describes all necessary procedures necessary in order to prepare and to execute all Berlin demonstrations. It includes the translation work of the lesson plans, all relevant processes of coordinating the demonstration and all the organisational work.

The target groups for reading this deliverable are developers of training lessons of transport operators as well as all involved project partners and those who are interested in the Berlin demonstration.
